Office Monthly Charge

Pacific Workplaces provides turnkey, fully serviced, on-demand offices with the infrastructure, technology, and support you need. You focus on your business, and we do the rest. You will have access to all the support resources you need on a cost-effective and pay-as-you-go basis. Cost-effective because you are sharing an infrastructure with many other tenants without waste, paying only a fraction of the cost necessary to acquire and implement these services. Pay-as-you-go, because you only pay for the services you use. In other words, we offer a unique Workplace-as-a-Service™ environment!

Rent charges vary from location to location depending upon size and term length, but always include:

- ✓ 4 meeting room credits/office/month
- ✓ Professional business address
- ✓ 24/7 Access
- ✓ Janitorial Services
- ✓ Mail Services
- ✓ All utilities
- ✓ Café/Lounge with refrigerator, microwave, and dishwasher
- ✓ Member resources including community events and access to member portal
- ✓ Friendly onsite staff to assist you with administrative and support needs
- ✓ Access to a regional network of Pacific Workplaces locations

Got The Need For Speed?

We provide fiber optic speeds up to 1 Gbps in most locations for seamless streaming and downloading!

Our full-time private office users have included internet plans with their bundled office service packages. See our internet options below and ask your Sales Manager about our Private Office Service Plans.

100 Mbps*

Included with Private Office
Starter Package

\$49/mo per user

- Good for light activities such as checking email and web browsing
- Supports downloads of small to medium-sized files

200 Mbps*

Included with Private
Office Standard Package

\$79/mo per user

- Supports internet client-server applications, webinars, light streaming of audio/video
- VoIP Traffic (i.e. Skype)
- Heavy usage of Software-as-a-Service (SaaS) tools such as Salesforce CRM or Google Apps

500 Mbps*

Included with Private Office
Full Support Package

\$129/mo per user

- Frequent usage of collaboration & screen sharing services (Zoom & GoTo Meeting)
- Large file transfers, heavy streaming of audio, and medium usage of HD Video Conferencing
- Connecting to your Corporate HQ using VPN (Virtual Private Network)
- Frequent usage of online back-up services and cloud storage
- Web and application development

Need More Speed?

We can provide more bandwidth for Enterprise users or for mission critical applications. Request a quote today!
