

Launchpad is downtown Henderson's entrepreneurial hub, serving start-up businesses and those that are ready to shift from a home to office environment. The center is the longest-running business incubator in the state of Nevada, celebrating its 20th anniversary in 2022 with a complete remodel and expansion of services. It is a project by the business community for the business community. Network. Collaborate. Grow. Join us at Launchpad!

Launchpad is located at 112 South Water Street in the Wells Fargo Bank Building.
