JAY CONFERENCE EMPIRE

Jay Conference Empire is a premier 13,000-square-foot conference center designed to inspire creativity and innovation. Located in the heart of Manhattan, this art-themed venue blends sophisticated design with a vibrant ambiance, featuring curated artwork and a large, state-of-the-art video wall at the entrance for eye-catching digital signage to welcome guests and showcase branding. The space is versatile, accommodating multiple companies simultaneously or offering the option for a full buyout, making it ideal for exclusive use by a single organization. With state-of-the-art presentation technology, soundproof rooms, and flexible layouts, it's perfect for everything from team meetings to large-scale events. Professional meeting planners and customizable gourmet catering ensure a seamless and unforgettable experience. At Jay Conference Empire, every event becomes a work of art.

Reception

Pods / Rounds

Our on-demand meeting rooms can easily be rearranged to accommodate the need for theater, boardroom, classroom, reception, or pods/rounds style setups and always include onsite professional administrative and IT support. Our 4 fully adjustable conference rooms were designed to embody the classic style and elegance of their namesake.

The Van Gogh Room

The Van Gogh Meeting Space is a dynamic and inspiring venue designed to accommodate up to 144 participants in style and comfort. Featuring expansive windows, the space is bathed in natural light, offering breathtaking views of the Midtown cityscape that energize and inspire creativity. Drawing inspiration from the vibrant artistry of Van Gogh, this space incorporates unique touches of color and design to foster collaboration and innovation. Equipped with state-of-the-art presentation technology, including large screens and advanced audio-visual capabilities, it's ideal for conferences, workshops, and team-building sessions. The Van Gogh Meeting Space seamlessly combines innovation and artistry, making it the perfect setting for impactful and memorable gatherings.

The Picasso Room

The Picasso Meeting Space is a sophisticated and versatile venue designed to accommodate up to 86 participants, making it ideal for intimate conferences, workshops, and corporate gatherings. True to the innovative spirit of Picasso, this windowed space blends creativity with functionality, featuring modern design elements that inspire out-of-the-box thinking. A standout feature of the room is the impressive 164" projection screen, delivering crisp, high-definition visuals for impactful presentations, videos, and collaborative sessions. Equipped with advanced audio-visual technology and flexible seating arrangements, the Picasso Meeting Space adapts seamlessly to various event formats.

The Warhol Room

The Warhol Meeting Space is a vibrant and contemporary venue designed to accommodate up to 54 participants, perfect for smaller conferences, brainstorming sessions, or team workshops. Inspired by the bold and innovative style of Andy Warhol, the room features modern design elements that spark creativity and conversation. Equipped with cutting-edge presentation technology, including high-definition screens and advanced audio-visual capabilities, this space ensures seamless and engaging presentations. With professional meeting planners and catering services available, the Warhol Meeting Space provides a dynamic and inspiring environment for impactful gatherings.

The Monet Room

The Monet Meeting Space is an elegant and serene venue designed to accommodate up to 40 participants, making it perfect for intimate meetings, strategy sessions, or creative workshops. This windowed space is bathed in natural light, creating a bright and tranquil atmosphere that enhances focus and creativity. Featuring dual 75" high-definition displays and advanced audio-visual technology, the room is fully equipped for seamless and impactful presentations. With the support of professional meeting planners and customizable catering options, the Monet Meeting Space offers a harmonious blend of functionality and sophistication, making it the ideal setting for productive and memorable gatherings.

The Experience with that extra touch

Technology

All of our conference spaces feature the latest in Crestron presentation technology and come fully-equipped with large screen TVs, projectors, conference calling capability, and unlimited high-speed wifi. The modular tables with built-in ports for charging, USB, and HDMI inputs can easily be rearranged according to your needs. Our onsite audio and visual technical support staff guarantee a successful conference every time.
