Branding available**

**Sprawling, Green
Campus**

This aerial photograph captures a large, modern campus complex. The campus features several interconnected buildings with blue-grey facades and flat roofs. Some of these roofs are integrated with green spaces, including what appears to be a rooftop soccer field. Extensive parking lots with white line markings are situated around the buildings. To the left of the campus, a multi-lane highway with a concrete barrier runs parallel to the site. The entire campus is surrounded by lush green trees and vegetation, with a dense forest in the background. In the top right corner, there is a small logo consisting of three horizontal bars in blue, green, and yellow.
