

kiln.

**Hello,
welcome
to Kiln.**

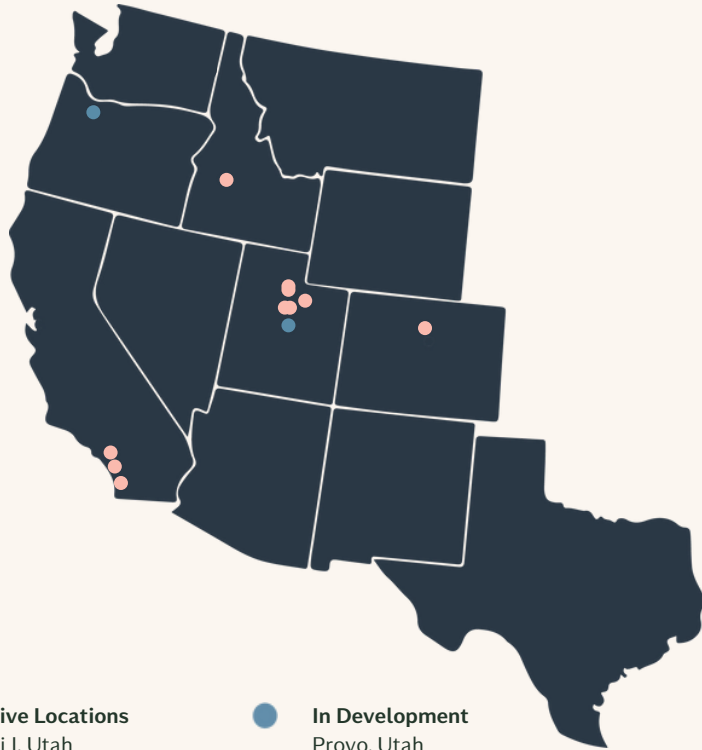

Why Kiln?

Capture your audience and elevate your next event, all-hands, workshop, pitch or wellness event with the ideal theater style space for an impactful and collaborative experience. With tiered seating, a large theater-style screen, beautiful lighting, and high-tech AV equipment, our event space provides a dynamic and flexible environment to make an impression. Add our high-touch hospitality, with every detail thoughtfully taken care of and ensure a successful and memorable event.

Once you're a member of one Kiln location, you're a member of all Kiln locations. Today, we operate 10 locations with a focus on lifestyle-centric communities that are growth-minded and attractive to tech talent or entrepreneurs.

With at least 4 more locations opening in 2023 and 15+ location opportunities in the works, we plan on growing to suit enterprise companies throughout the West and beyond, giving us the unique ability to streamline the process of acquiring workspace and meeting sites for your teams on a national level.

Theater Space

Capture your audience and elevate your next event, all-hands, workshop, pitch or wellness event with the ideal theater style space for an impactful and collaborative experience. With tiered seating, a large theater-style screen, beautiful lighting, and high-tech AV equipment, our event space provides a dynamic and flexible environment to make an impression. Add our high-touch hospitality, with every detail thoughtfully taken care of and ensure a successful and memorable event.
