CENTRL OFFICE

A hotel
with no beds,
a house
without the barking dog,
a coffee shop
with meeting rooms.

Located in the heart of Little Tokyo, this CENTRL Office offers elegantly designed and furnished offices, meeting rooms, and other workspaces with flexible rental terms. All workspaces include access to our premium business amenities including high speed wifi internet, printers, copiers, kitchens, office managers, and more.

WORKSPACES

We offer multiple types of workspaces with the right mix of privacy and community, along with elegant furnishings, large windows, and great lighting to support productivity.

AMENITIES

All workspaces include access to our premium business amenities including high speed wifi internet, printers, copiers, kitchens, office managers, and more.

FLEXIBILITY

Our members want to choose where they work, when they work. That’s why we have flexible membership options to use our workspaces full time, part time, or one day at a time.

SUPPORT

Our Community Managers are the go-to problem solvers and experience creators for our members. We also have professional cleaners and staff to keep the coffee fresh and office supplies stocked.

THE NEIGHBORHOOD

Only blocks from the Arts District and LA’s Historic Core, this workspace is surrounded by a diverse array of locally-owned coffee and breakfast spots, eclectic bars and restaurants, headlined by the iconic Sushi Gen and Grand Central Market. It is an ideal location for those seeking a better work-life balance.

GETTING THERE

Commuting to this location is easy with onsite bike storage, onsite parking, and access to the Union Station and several local buses within walking distance.

LOCAL TIPS

Here are a few of the amazing local businesses near our downtown Los Angeles workspace we think you’ll love... Poketo, Daikokuya, Angel City Brewery, Arts District Brewery, Urth Café, Sushi Gen, Cafe Demitasse, Japanese American National Museum, Wurstküche Restaurant, and Salt & Straw.
