ABOUT US

The Hub at Office Logic is a hybrid co-working space in Miami that offers executive offices, concierge services and a vibrant community. The Hub is conveniently located on Biscayne Blvd in the heart of Miami, close to major highways, public transportation, restaurants and shops. Whether you need a private office, a meeting room, a collaboration space or a lounge area, The Hub has it all. You can enjoy high-speed internet, coffee and snacks, printing and scanning services, mail handling and more. You can also network with other professionals, join events and workshops, and access mentorship and incubator programs. The Hub is more than just a place to work, it's a place to grow your business and your career. Join us today and discover the benefits of co-working at The Hub.
