What is this place?

Covo is, at its heart, a beautiful coworking space that is leveling the playing field for **ALL** entrepreneurs.

With a focus on supporting women and minorities (while also making sure no one feels out of place) Covo is warm, accessible and inclusive.

As a female founded company, we encounter gender bias on a daily basis. To help make the world not only a fairer but also a more successful place, we actively seek individuals and teams from all industries, ages, colors, origins, genders and walks of life. Covo stands for Collective Voice, and we want to hear yours.

See for yourself!

Join us for a cup of Equator coffee or a glass of wine in our open-to-the-public café + wine bar. Get work done in-between meetings in our \$4/hr coworking lounge. Book a meeting room. Or join our community on a 24/7 basis.

How much does membership cost?

BEYOND OUR \$4/HR DROP-IN COWORKING LOUNGE, WE HAVE 3 LEVELS OF MONTHLY COWORKING MEMBERSHIP; **OPEN SEATING, DEDICATED DESKS, AND PRIVATE OFFICES & SUITES.**

THESE MEMBERSHIPS RANGE FROM \$440 TO \$4,460 DEPENDING ON LEVEL, FLOOR, AND SIZE.

WE ALSO PROVIDE NON-PROFIT AND MISSION-DRIVEN DISCOUNTS.

What is included in my membership?

Open Seating — \$440/mo

Our most flexible membership. You may spend Monday heads-down in the mezzanine; Wednesday amidst the hustle and bustle of our sun soaked main floor, and Friday working at the Tap Lounge or on a comfy couch.

Dedicated Desk — \$560/mo

Maybe you have a big monitor and paper files (it's okay that you still have them!). Or maybe you just need that piece of mind that comes with having your own space. You get your own desk, chair, and locking cabinet.
