

DOWNTOWN LOCATION

Work Near Home™

Coco is a workspace and gathering place tailored to when, where, and how you work. Our unique combination of shared workspaces, dedicated desks, and private offices is designed for the needs of growing small businesses and entrepreneurs.

Whether you're a solopreneur wanting a break from the home office, a small business looking for a more flexible office solution, or a corporate employee needing space to escape to, we have a workspace solution for you.

Our Community

We hold regular workshops and social events to keep you and your team engaged and informed. As a member, you may host workshops or events in our space at member rates. We also promote our member's events on our website, social media, and newsletter.
