### Grand Central Office Space, Simplified.

Located next to Manhattan's Grand Central Station, our Fifth Avenue center is innovatively designed to incorporate the ever changing business needs of our diversified client base. This center features 50 private offices, all furnished with premium SteelCase desks, Herman Miller Aeron chairs and optional round tables.

Each office also has a wall mounted LED TV with CNN, CNBC and over 20 other channels. Clients have access to 3 distinct meeting spaces, including our Strategy Room concept, a standard meeting room accommodating 6 people and a state-of-the-art 14 person Board Room featuring advanced technology and audio visual systems.

Clients at this location also enjoy our Business Lounge serving freshly brewed Starbucks Coffee.
