'We Incubate from 0 to 1, Accelerate from 1 to 100, Navigate from 100 to Infinity.'

ABOUT THE CENTER

Located at 1000 Mass Ave, in the heart of Cambridge, Z-Park is a hub for innovation and technology transfer. Our newly renovated building has three floors, 66,209 square foot, creatively designed with multiple functional spaces fulfilling all business needs.

To establish an innovation community that creates synergies, Z-Park provides the most cooperative work environment to startups, corporations and research institutions, with full entrepreneurial resources and incubation services to accelerate their ways to success.

ACCELERATION SERVICES

MENTORING PROGRAM

We care about the development of every startup and organization in the center and give the best resources to help them succeed. You will be matched with one of our networked mentors based on your industry and stage, receiving free consulting services & valuable advice bi-monthly.

CLASSES, EVENTS, & NETWORKING

Be aware that hundreds of events will be held every year at Z-Park, providing great opportunities for learning, networking and brand promotion. You will be able to access all the events and classes for free or with a largely discounted membership price. Startups can showcase their brands and get investments through Z-Park's bi-weekly roadshows.

ACCELERATION SERVICES

CUSTOMIZED BUSINESS SUPPORTING SERVICES

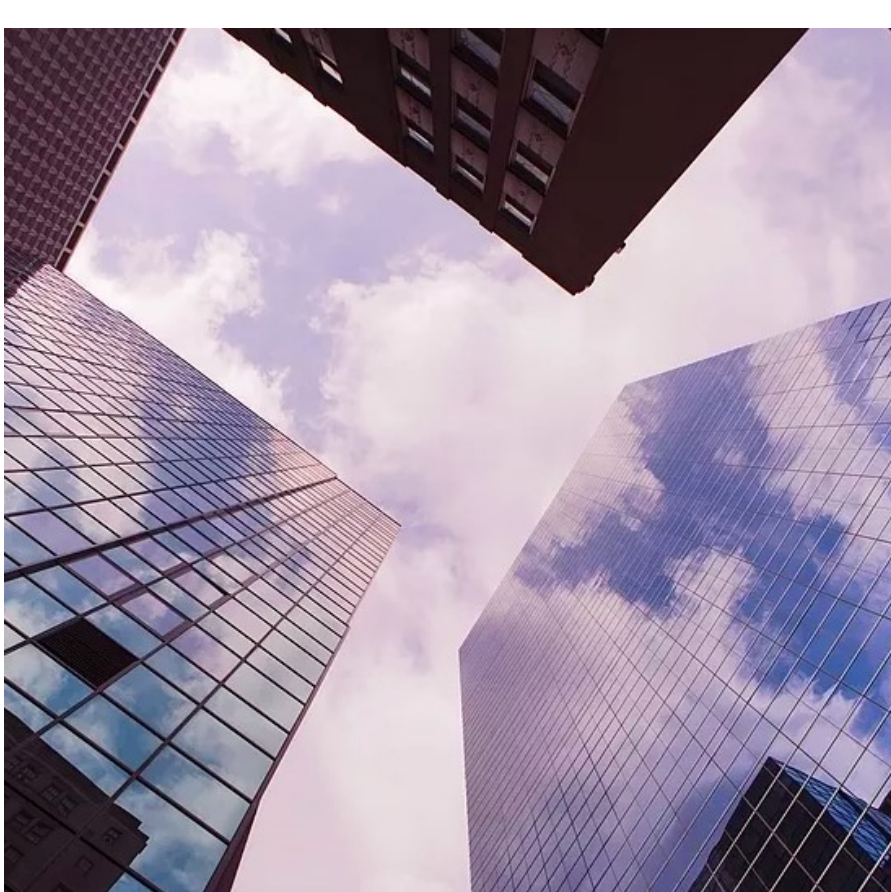

Connected with the mentoring program, we provide key entrepreneurial resources and one-stop acceleration services based on your situation and needs. Focus on Your own Professional Area and Enjoy our one-stop business supporting services including but not limited to: lawyer service, Accounting & Taxation, Human Resource, Printing & Design, and IT Services.

CONNECTIONS ALL OVER THE GLOBE

As a member, you will be able to access Z-Park global innovation platform, including networking resources and worldwide workspaces, now including Silicon Vally, Beijing, London.

INVESTMENT & FUND

ZGC Oversea Fund

With a fund of funds and a direct investment fund, Z-Park selectively invests in high potential tech startups from various stages.

Project Library

Together with ZGC Innovation Center @ Silicon Vally, we collect nearly 4000 tech projects in U.S. annually, with our professional team to manage and analyze the database.

Fund Partners

We have investors and fund partners all over the U.S. EU, Asia, waiting to be connected with good projects.
