

# officeevolution

Discover innovative workspaces, dedicated offices, meeting rooms, and virtual mail plans that foster creativity, collaboration, and connection!

## DEDICATED OFFICE

Need a completely private dedicated office to conduct your important work? Our fully furnished offices come with flexible terms, 24/7 access, business class internet, and so much more!

## DEDICATED DESK

Do you want a dedicated space, but don't necessarily need the privacy of a private office? Our dedicated desk options ensure you can have your familiar space but with a more collaborative environment.

## COWORKING

Our coworking solutions are designed to fit any individual's needs and budget. Determine how frequently you will need to leverage the shared workspace and select the plan that's right for you!

## MEETING ROOMS

Our meeting room solutions are designed to be flexible and accommodate one-off gatherings and recurring sessions. You can choose to become a meeting room member and benefit from exclusive discounts and perks, or reserve your spaces as needed.

## VIRTUAL MAIL

Our mail plan solutions are tailored to meet any business, budget, or unique need. Explore the options available at a location nearest you!

- Mail Handling + Mail Box
- Phone Answering
