

**KNACK**  
COWORKING

# Thank you for your interest in Knack

We would love to have you as part of our community. Included in this packet is an overview of our space and membership plans.

## About Us:

Knack Coworking aims to redefine the coworking industry by offering more than just a pretty space. We combine intentional design and highly functional work spaces with business-critical services that truly enable you to get sh\*t done.

At Knack, we offer our members a collaborative, engaging work environment that shares resources, skills, and ideas...And we looking forward to having you join!
