

## HERA HUB PHOENIX

Hera Hub is a spa-inspired, shared workspace and business accelerator for women business owners, entrepreneurs and professionals. This flexible work and meeting space provides a productive work environment for women. Hera Hub members have access to professional space to meet with clients and to connect and collaborate with like-minded business owners, thus giving them the support they need to be prosperous.

Hera Hub is much more than just a shared workspace; it's a growing, passionate community of like-minded professional women who find the additional resources, such as special classes, workshops, and one-on-one support essential for their business growth.
