THE NEXUS SMART HUB - THE NEW, SMART WAY TO WORK & LIVE ON THE CENTRAL COAST

Telework is working from a place other than your regular office. It utilises information and communications technology to stay connected to colleagues and work systems without the need to commute. The Nexus Smart Hub at North Wyong opposite the golf club, has been purpose built to be WHS compliant, with an emphasis on productivity that includes super fast internet and all the latest office equipment.

THE NEXUS HUB IS AN IDEAL ENVIRONMENT FOR START-UPS, FREELANCERS AND SMALL BUSINESSES.

Eliminate the expense and risk of an office fit-out and lease commitment - not to mention the networking and learning opportunities available to you.
