## THE WRIGHT VILLAGE

A co-working space dedicated to the uplifting and community building of minority, working class professionals. We service a range of members, from industry professionals to freelancers, seeking a name for themselves. Our goals are to provide you with the tools and space to excel,

"To build and maintain our own stores, shops, and other businesses and to profit from them together."

- Ujamaa

The Principle of Cooperative economics

Have a message? Get it out - our podcast studio is available now!

If you need event space, we've got that covered, too!

## THE VILLAGE

### FREELANCERS/ENTREPRENEURS

We have private and community spaces for independent professionals and freelancers looking for a place to call their own. Take advantage of the low cost space for consultations and more.

### TEAM SUITES/SMALL BUSINESSES

Are you a small start up? Do you need a huddle space? Get the most use out of the space with access to conference style meeting room, small teams huddle room and desk working spaces.

### THE MELTING POT

The Wright Village builds community by providing basic necessities to any professional, from a light refreshment kitchen, to FREE WiFi. Utilizing professional networking platforms, we provide members with effortless access to hone their talents and other resources.
