Rocket Science

The multi-sensory experience to unleash your true potential by sharpening your senses for any kind of meeting.

The Sensory room is designed specifically to awake all your senses with unconventional setting and stimuli to balance your body and mind. It also has exclusive access to the Greenhouse, our treasured piece of nature.

Maximum capacity: 8 PAX

Alignment

The rather common meeting room with dining room atmosphere is great for business lunches and online conferences.

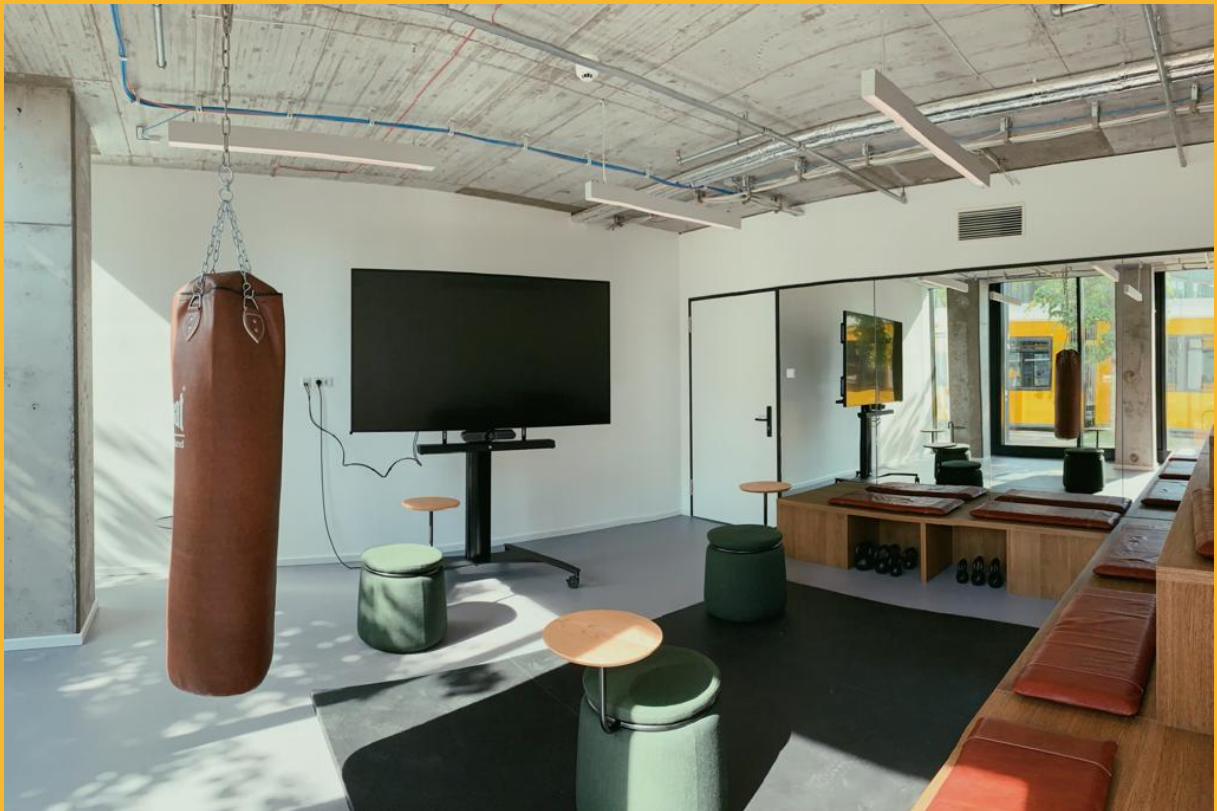

Close to the restaurant, it has an intimate and agreeable design that combines comfort and professionalism. Perfect for lunch or hybrid meetings.

Maximum capacity: 8 PAX

I'll be back

this rather unconventional meeting room is very suitable for private fitness classes as well as casual meetings.

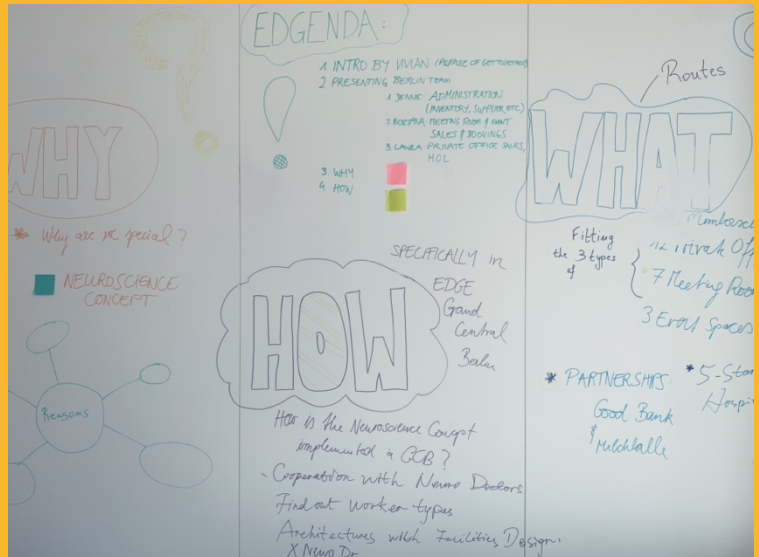

Casual and relaxed approach, with benches, poufs, and large mirrors. Great for presentations and convertible into a fitness studio, as it has multiple fitness materials available.

Maximum capacity: 15 PAX

One more thing

All white everything is the motto of this meeting room.

Covered with white board all over the walls and floor. It is ideal for brain storming or thinking out of the box sessions, and unleashing your creativity to the fullest. There are no limits set.

Maximum capacity: 10 PAX

No Limit

Our spaces are so flexible that there are almost no limits to your wishes and needs.

This is an example on how one of our Private Offices converted into a meeting room. Now imagine the flexibility of creating the exact atmosphere you are looking for!
