COLLABORATION

Our unique space is designed to spur productivity, creativity and innovation. An ideal environment for offsites, product launches, and brainstorming sessions. Our layout has been intentionally designed with the goal of providing an atmosphere where creativity and development flow.

Available from 8:30 to 5pm Monday – Thursday.
Free use of all the collaboration technologies available.
Managed by our Event Coordinator to bring together any special requests, catering, etc.

CONNECTION

You need the right combination of ingredients to bring any social networking affair to life. Location – easy to get to, simple to park. Atmosphere – open and inviting to spur conversation. And finally, unique enough that it draws them in.

Available from 4pm to 7pm Monday – Thursday.

Free use of our Audio/Video environment for presentations, digital signage to promote your message or simply place your logo. All managed by our Event Coordinator to bring together any special needs, catering, alcohol services, and entertainment.

CELEBRATIONS

Our goal is to make every celebration simple and easy to create. We want you focused on the celebration – not the details. Our facility allows us to bring your event just the right mixture of light and texture to inspire whatever occasion or theme you want to focus on.

Available from 6:30 to 10:30pm Friday & Saturday.

Celebrate in our warehouse and utilize our complete AV setup for videos or music. All managed by our Event Coordinator to bring together any special needs, catering, alcohol services, and entertainment.
